23.10.2017

ID, FD, MBA & BBA departments of Kalinga University, went for an educational cum industrial visit to Jaisalmer, Jaipur, Udaipur and Ajmer from 23<sup>rd</sup> October 2017. It was a 7 days tour where they visited many educational sites throughout the trip.

After departure from Raipur, they reached Delhi, on this day they visited Birla Mandir & Humayun Tomb where students got to learn the historical importance of the tomb, and its various elements in the form of inspiration. After the site visit, we went to Sarojini market, where students relished themselves with shopping. The very same day at night we departed from Delhi to Jodhpur. They went to Jaisalmer from Jodhpur on day 4, where in after reaching Jaisalmer, they went to visit PATWAO KI HAWELI, which was a source of inspiration for the design students because it consisted of age old customs and traditions of the jaisalmer city and the people living there. The original conserved and preserved art of Rajasthan was mesmerizing and knowledgeable at the same time.

After this they went to visit GOLDEN FORT OF JAISALMER, again having its historical importance and the sources of inspiration for design aspirants. And then they went to the famous KULDHARA village, which is now an abandoned village of Rajasthan due to its historical story behind it. It was an awesome experience for all to see such an amazing site visit. From KULDHARA village they went to Ghadisar lake, where the natural view of lake grabbed everyone's attention along with Rajasthani architecture. From there they went to Rajasthan emporium where they got to know varieties of saree production in Rajasthan, which are very rare to see in general like, sugarcane fiber saree, bamboo fiber saree, multani mitti saree, along with magical importance of haabur stone of Rajasthan, which is of high medicinal use and is used in treating many diseases since ancient times. They went to the payal safari tent, where all enjoyed the traditional Rajasthani welcome along with bon fire and traditional Rajasthani dance followed by traditional diner at the camp. In the morning they witnessed the amazing camel SAFARI AND JEEP SAFARI AT SAM SAND DUNES, where everyone experienced the amazing sand and its fun. All enjoyed a lot there had clicked many pictures and videos for the memory.

Jaipur the capital of Rajasthan state, evokes beautiful sightings of the royal family that once ruled the region and that, in 1727, founded what is now called the Old City, or "Pink City" for its trademark building color. At the center of its stately street grid (notable in India) stands the opulent, colonnaded City Palace complex. With gardens, courtyards and museums, part of it is still a royal residence. Students visited the Amber Fort, Nahargarh Fort, Hawa Mahal, Jantar Mantar, and also the famous eateries of Rajasthan to have a taste of the delicacies of the place. Everyone finally departed from Ajmer to by train for Raipur, and after long but exciting journey, finally reached RAIPUR with lots of golden memories of the trip.
